Circle of Concern, Inc. is a non-profit organization that provides comprehensive mental health services for court involved children, youth and families in Metro Atlanta.

Family Consultant-Professional

Circle of Concern, Inc. is seeking leaders and experienced master's level clinicians (LAPC, LMSW, CAC)/students and Licensed Mental Health Professionals (LPC, LMFT, LCSW) interested in providing case management, psychoeducation, individual, group and family therapy to court involved children, adolescent and/or adult consumers and families for our community based Wrap-Around program and/or Intensive Family Intervention program. Practitioners should be familiar with helping consumers resolve issues related to poverty, recovery, domestic violence, incarceration, delinquency and child abuse/neglect and/or exploitation. Timely, structured and detailed progress note documentation is required. Candidates should also possess a combination of skills related to psychotherapy and/or counseling, technical writing, case management, treatment planning, psychosocial assessment, meeting facilitation, and computer skills and have at least two years of similar experience. Please forward resumes to circleofconcern@bellsouth.net.

Family Consultant-Paraprofessional

Circle of Concern, Inc. is seeking a paraprofessional parent educator able to deliver case management and parenting education to court involved adults and/or teenage parents. We are also seeking Paraprofessionals with at least two years of experience providing direct behavior management services to severe emotional and/or behavior disordered children and youth in a residential, psychiatric, and/or alternative/ special education program setting. Direct care staff teach and role model acceptable behaviors and provide assistance with basic skills, in addition to monitoring behaviors and responses to treatment plans. The therapeutic nature of the work makes direct care staff vital participants in the helping process for Circle of Concern, Inc. Please forward resumes to circleofconcern@bellsouth.net.

Field Supervisor, Wraparound Program

Circle of Concern, Inc. is seeking to fill a team leader position within a Wrap-Around program. The Field Supervisor is responsible for orientation, training, and supervision of new Family Consultants and implementation of Wrap-Around program policy and quality initiatives. Supervisor candidates should have a bachelor's degree and at least three years of supervisory experience in a child welfare program that provides direct care to children, youth and/or families. Please forward resumes to circleofconcern@bellsouth.net.

Domestic Violence Therapist

Circle of Concern, Inc. seeks a licensed individual and group therapist with a background in family violence intervention and prevention services and a minimum of two years clinical experience. The candidate may have completed a certificate and/or have experience working for a local Family Violence Intervention Program (FVIP). Licensed candidates preferred, but master's level clinicians with experience are considered.

Volunteer

Circle of Concern, Inc. is seeking program volunteers. To inquire about volunteer opportunities please contact circleofconcern@bellsouth.net and enter the term "Volunteer Opportunity" in the subject heading of the email.

Licensed Psychologist (Independent Contractors)

Circle of Concern, Inc. is seeking psychologists to provide clinical assessment of consumers through use of structured interviews, psychological testing and careful assessment of the history presented. After rendering differential diagnoses and recommending an appropriate course of treatment, the psychologist independently determines assessment strategies, approaches most appropriate issues being assessed, and is independently responsible for interpretations, conclusions and recommendations resulting from such assessments.

Candidates should have interest and/or be credentialed through both private insurance companies and Medicaid CMOs. We are seeking to add psychologists that are enthusiastic, enjoy working with children, youth and their families, are competent in their field, and looking for a place to grow in child welfare. There is diversity in clientele and services offered. Individual therapy, family therapy, group therapy, testing and supervision are a part of this position as well.

Psychologists should have successfully completed a professional psychology internship training program that has been accredited by the American Psychological Association (APA) and have earned a doctoral degree in psychology from a graduate program in psychology. The specialty area of the degree must be consistent with these job duties. The psychologist should also be willing to assist in development of multidisciplinary/integrated treatment planning in compliance with Wrap-around philosophy and external agency standards. Please email vitas to circleofconcern@bellsouth.net. (posed 1/21)

Social Services Protect and Placement Specialist

Division of Family and Children Services

The Georgia Department of Human Services, [Division of Family and Children Services](#) (DFCS) is seeking candidates for **Social Services Protect and Placement Specialist** (SSPPS) positions in **Metro Atlanta and throughout the State of Georgia**.

You can visit www.dhrjobs.com for a complete list of vacancies.

Under general supervision, investigates, provides follow-up, or provides adoption and placement resources in cases of abuse, neglect, and exploitation.

Child Protective Services - Our Specialist assess the level of risk to children by conducting face to face interviews with alleged child victims and their caretakers. Other activities in this role may include working with law enforcement and physically removing children from caretakers if the child is found by the Courts to be at risk in the home. This will also include testifying in Court as to the level of risk to children that are placed in the agency's legal custody. This position may also be subject to on-call scheduling and will require the use of a car for travel.

Foster Care - Our Specialist are the child's case manager and their main responsibility is to ensure the child has a permanent stable family situation within as short a time as possible. This involves many things: visits to foster homes; supervising visits between children and their parents; testifying in Court regarding the status of the agency and/or parent's progress towards the court approved placement. This position will require the use of a car for travel and transportation of clients (children). Social Services Case Managers conduct home visits and field inspections.

Qualifications

- **\$32,418** Masters in Social Work (MSW)
- **\$30,869** Bachelors in Social Work (BSW)
- **\$29,399** Undergraduate Degree in Behavioral Science and 1 year social services experience (paid or volunteer) or DFCS internship

A Bachelors or Masters Degree in Social Work must come from a School of Social Work recognized by the Council on Social Work Education (www.cswe.org). All other educational requirements must be recognized by the Council for Higher Education Accreditation (www.chea.org) and/or the US Department of Education (DOE)

Note: The Georgia Department of Human Resources does **not** provide sponsorship to H1-B Visa applicants

Benefits

In addition to a competitive salary (listed above) we offer a generous **benefits** package that includes employee retirement plan, deferred compensation, 12 paid holidays, vacation and sick leave, dental, vision, long term care, and life insurance. Current state employees are subject to the Department of Human Services and/or State Personnel Administration rules, regulations, and practices/policies regarding salary.
